

Get trained, get smarter

Have EncoreAnywhere work harder for you

"It was a pleasure to have you here at BCHC to share your expertise with all of us. Your extensive knowledge further enhanced mine and I'm sure was very enlightening for the others present. It was the most informative two hours I've spent in homecare."

— B.Howell, Mgr.
of Respiratory
Therapy, BCHC

Maximize efficiency

- Is your facility's EncoreAnywhere patient data management system as efficient and robust as you'd like?
- Are you aware of the full range of data that your EncoreAnywhere system is capable of providing?
- Do you maximize the quality and quantity of patient data and usage reports from your EncoreAnywhere system?

Gain confidence, get more informed

- With EncoreAnywhere training, gain confidence that patient data and usage reports are maximizing value for your staff
- Better understand system functionality so you can make more informed decisions about patient treatment and compliance
- Feel more satisfied that your system provides the knowledge you need to better serve your referral base and patients

EncoreAnywhere training

As a valued customer, EncoreAnywhere training is offered to you as part of our dedicated and ongoing service and support.

- Our field specialist will guide you through training, scheduled at your convenience (for a one-to-two-hour session via a webinar or at your facility)
- Take one, two, or all three training modules:
 1. Getting the maximum value out of EncoreAnywhere
 2. A review of EncoreAnywhere basics
 3. An overview of EncoreAnywhere reports and modem management
