## A better financing solution to acquire the Philips medical equipment you need

Philips Medical Capital designs payment schedules to meet your needs as a Critical Access Hospital.

A financing program with Philips Medical Capital gives you the option to tailor payments to reflect your cash flow cycle, reimbursement funding cycle and projected equipment use. Here are just some of the great benefits offered:

- 100% lease financing with no down payment and flexible structuring
- Flexible purchase options
- Protection against technology obsolescence
- Easy add-ons and equipment upgrades
- Potential tax and accounting advantages
- Public Finance provides a 501(c)(3) conduit and municipal leases for qualified facilities

In today's challenging environment, Philips Medical Capital offers financial products and services to fit your business requirements.
