Earning your **trust** every day

You ranked Philips **#1**. Again. And again.

Every day your patients count on you. And every day you can count on us. How are we doing in the areas that matter most to you? Recent results from the independent IMV ServiceTrak™ study on imaging systems give additional insight about how Philips is meeting customer needs and expectations. Customers again ranked Philips #1 in key service areas. These results are important to us because they're important to you, demonstrating the value Philips brings to you and your patients every day.

We put our experience, expertise, and commitment to work for you to help you get the most from your Philips imaging systems every day. Today's demanding healthcare environment means you need to do more with less. We're rising to meet those challenges with you, with adaptable service solutions such as RightFit Service Agreements that deliver the flexibility and value you look for in a strong service relationship.

By teaming up with Philips to take care of your systems, you can keep your focus where it matters: delivering better care to more people at a lower cost. Together, we can create a healthier future.

We bring **value** to you so you can bring value to patients

About the ServiceTrak™ study

IMV Limited is an independent healthcare research company with more than 20 years of experience in analyzing the medical imaging, clinical diagnostic and instrument markets. ServiceTrak™ is one of the most recognized and trusted benchmark studies in the healthcare industry. Participants are drawn from a randomized database of US hospitals and imaging centers. The 2015 ServiceTrak Imaging All Systems report is based on the feedback of respondents using approximately 5628 imaging systems including ultrasound.

Philips customer services is service that works for you.
